## 2. APPLICATION OF CONDITIONS

2.1 These Conditions shall:

- (a) apply to and be incorporated into the Contract; and
- (b) apply to, be incorporated in and be attached to the Service Agreement and prevail over any inconsistent terms or conditions, contained, or referred to, in the Service Agreement; and
- (c) prevail over any inconsistent terms or conditions contained, or referred to, in the Customer's purchase order, confirmation of order, acceptance of a quotation, or specification or other Document supplied by the Customer, or implied by law, trade custom, practice or course of dealing.

2.2 The Customer's purchase order, or the Customer's acceptance of a quotation for Services by the Supplier, constitutes an offer by the Customer to purchase Services on these Conditions. No offer placed by the Customer shall be accepted by the Supplier other than:

For the avoidance of doubt, if the Contract is terminated, either pursuant to Condition 12 or pursuant to this Condition 3.2, the Service Agreement shall also be simultaneously and automatically terminated.

- (a) co-operate with the Supplier in all matters relating to the Services;
- (b) provide the Supplier, its agents, subcontractors, consultants and employees, in a timely manner and at no charge, with such access and egress to the Customer's premises, the Equipment, office accommodation, data and other facilities as may be required by the Supplier;

- 5.3 The Customer shall ensure that any request for remedial maintenance contains complete and accurate information such as will enable the Supplier to fulfil the Supplier's obligations under the Contract and, without limitation, to meet the response times and all other standards stipulated in the Service Agreement.
- 5.4 The Customer shall ensure that a competent person is in attendance when the Services are being performed in order to enable the Services to be performed in accordance with all relevant safety procedures and also to operate any electrical systems or apparatus required to be operated in conjunction with the Equipment in order to enable the Services to be performed.
- 5.5 The Customer acknowledges that it may be necessary to bypass the Equipment during the performance of the Services. The Customer acknowledges and understands all of the attendant risks and possible consequences associated with this procedure and further acknowledges and accepts sole responsibility therefor.
- 5.6 If, at any time prior to, during, or following the performance of the Services, the Supplier believes that the Equipment is or is likely to be in a condition which could or might cause injury to persons or damage to property, then the Supplier shall have the right, but not the obligation, to immobilise the Equipment temporarily and/or to take such other temporary precautionary measures as are in the circumstances necessary and reasonable, without incurring any liability whatsoever, provided that the Supplier shall notify the Customer that the Equipment is in or is likely to be in such a condition.
- 5.7 The Customer shall not use or permit to be used the whole or any part of the Equipment before the Equipment has been serviced by the Supplier and the Supplier has notified the Customer that the Equipment is fit for use. If the Equipment is, contrary to the provisions of this Condition 5.7, so used, the Customer shall fully and promptly indemnify and hold the Supplier harmless against any liability that shall or may be incurred by or on behalf of the Supplier to any person, whether arising directly or indirectly from any such use.
- 5.8 The Customer shall be liable to pay to the Supplier, on demand, all reasonable costs, charges or losses sustained or incurred by the Supplier (including, without limitation, any direct, indirect or consequential losses, loss of profit and loss of reputation, loss or damage to property and those arising from injury to or death of any person and loss of opportunity to deploy resources elsewhere) arising directly or indirectly from any act or omission of the Customer which directly or indirectly prevents, suspends, delays, or otherwise adversely affects, or varies, the performance of any obligation of the Supplier under the Contract or otherwise, or which arises directly or indirectly from the Customer's fraud, negligence, failure to perform, suspension or delay in the performance of any of its obligations under the Contract or otherwise, subject to the Supplier confirming such costs, charges and losses to the Customer in writing.

- 5.9 The Customer shall hold the Supplier harmless and keep the Supplier indemnified in full against all direct, indirect or consequential liabilities (all three of which terms include, without limitation, loss of profit, loss of business, depletion of goodwill and like loss), loss, damages, injury, costs and expenses (including legal and other professional fees and expenses) awarded against or incurred or paid by the Supplier as a result of or in connection with any claim made against the Supplier in respect of any liability, loss, damage, injury, cost or expense sustained by any third party to the extent that such liability, loss, damage, injury, cost or expense arises directly or indirectly from any act or omission of the Customer which directly or indirectly prevents, suspends, delays or otherwise adversely affects the performance of any obligation of the Supplier under the Contract or otherwise, or which arises directly or indirectly from the Customer's fraud, negligence, failure to perform, suspension or delay in the performance of any of its obligations under the Contract or otherwise, subject to the Supplier confirming such costs, charges and losses to the Customer in writing.
- 5.10 Prior to performance of the Services, the Customer shall remove from the Customer's premises any item that could pose an obstacle to the performance of the Services. The Customer shall incur additional charges if the Supplier has to remove, dismantle and/or dispose of any item at the Customer's premises. Without limitation, the Customer acknowledges that no cleanup work will be carried out by the Supplier and that any waste material arising from the performance of the Services shall be removed by the Customer at the Customer's cost. If the Supplier discovers, before or during the performance of the Services, problems at the Customer's premises which materially affect the Supplier's ability to perform the Services in accordance with the Supplier's standards at the price quoted, it shall be free to vary the price. Without limitation, any additional costs caused by any delay in the performance of the Services, or any suspension of performance, at the Customer's premises (for reasons beyond the control of the Supplier) e.g industrial action, shall be treated as a variation to the Customer's original order and the Customer shall be liable for any such additional costs.
- 5.11 The Customer shall not, without the prior written consent of the Supplier, whether acting on the Customer's own account, on behalf of, or with any other person (including any person which the Customer directs to act on its behalf) , at any time from the date of the Contract to the expiry of 6 months after the last date of Supply of the Services, solicit or entice away from the Supplier or employ (or attempt to employ) or otherwise engage or attempt to engage the services of any person who is, or has been, engaged as an employee, consultant or subcontractor of the Supplier in the provision of the Services.
- 5.12 Any consent given by the Supplier in accordance with Condition 5.11 shall be subject to the Customer paying to the Supplier a sum equivalent to 15 % of the then current annual remuneration of the Supplier's employee, consultant or subcontractor.

## 6. ANNUAL SERVICE FEE

- 6.1 The Customer shall pay the Annual Service Fee to the Supplier in quarterly instalments on the first day of each quarter for which payment is due.
- 6.2 Time for payment shall be of the essence.
- 6.3 The Annual Service Fee shall be exclusive of any VAT, which the Customer shall pay to the Supplier on the due date for payment of the Annual Service Fee.
- 6.4 The Customer shall pay to the Supplier any additional sums which, in the Supplier's sole discretion, are required as a result of the Customer's instructions or lack of instructions, the inaccuracy of any Input Material or any other cause attributable to the Customer directly or indirectly, including, without limitation, any failure by the Customer to fulfil any obligation set forth in Condition 5. The Supplier reserves the right to increase the Service Fee due to any change in the Services requested by the Customer, or any delay caused by any instructions of the Customer or failure of the Customer to give the Supplier adequate information or instructions.
- 6.5 The Annual Service Fee is based on costs current at the Commencement Date and may be varied in accordance with any change in any such costs from time to time, in accordance with the index figures issued by the Lift and Escalator Industry Association.
- 6.6 The Annual Service Fee will be subject to further variation in respect of any additional costs, taxes, or other expenditure arising by virtue of any statute, regulation or order issued by any Government Department or other duly constituted authority.
- 6.7 Any adjustment or variation made in accordance with Conditions 6.4, 6.5 or 6.6 may be invoiced to the Customer as soon as the amount of any such adjustment and/or variation has been ascertained and shall be payable by the Customer forthwith on receipt by it of a notice from the Supplier outlining the amount of the adjustment or variation, as the case may be.

## 7. PAYMENT

- 7.1 No payment shall be deemed to have been received until the Supplier has received cleared funds. In the event that the Customer tenders payment by cheque and said cheque is returned unpaid to the Supplier, the Customer shall reimburse the Supplier for any bank charges incurred by the Supplier.
- 7.2 All payments payable to the Supplier under the Contract shall become due immediately on its termination despite any other provision.
- 7.3 The Customer shall make all payments due under the Contract in full without any deduction whether by way of set-off, counterclaim, discount, abatement or otherwise unless the Customer has a valid court order requiring an amount equal to such deduction to be paid by the Supplier to the Customer.
- 7.4 If the Customer fails to pay the Supplier any sum due pursuant to the Contract, the Customer shall be liable to pay interest to the Supplier on such sum from the due date for payment at the annual rate of 8 % above the Bank of England's base rate from time to time , accruing on a daily basis until payment is made, whether before or after any judgment. - 7.5 Any failure by the Customer to pay the Supplier any sum by the due date for payment and/or the occurrence of any one or more of the events set forth in Condition 12.1 or 12.2 shall entitle the Supplier, at any time and without notice to the Customer and without limitation to any other remedy available to the Supplier:
- 7.5.1 To suspend or cancel the performance of any or all of the Services; and
- 7.5.2 To treat the Contract as having been repudiated by the Customer.
- 7.6 The Customer may not cancel any order for Services (being an offer) which has been accepted by the Supplier pursuant to Condition 2.2 and if the Customer cancels, or purports to cancel any such order then the Supplier may, by notice in writing to the Customer, elect to treat the Contract as repudiated.

7.7 For the avoidance of doubt, and notwithstanding the exercise of any remedy by the Supplier in accordance with Condition 7.5.1 or 7.5.2 or otherwise, the Customer shall remain liable to pay and shall pay the Supplier at the Contract rate, any and all payments subsisting at the relevant time.

## 8. INTELLECTUAL PROPERTY RIGHTS

All Intellectual Property Rights and all other rights in the Output Materials shall be owned by the Supplier and the Customer shall acquire no right or rights therein. The Customer licenses all Intellectual Property Rights and all other rights in the Input Materials to the Supplier free of charge and on a non-exclusive, worldwide basis to such extent as is necessary to enable the Supplier to provide the Services to the Customer.

## 9. CONFIDENTIALITY

9.1 The Customer shall keep in strict confidence all technical or commercial know-how, specifications, processes or initiatives which are of a confidential nature and have been disclosed to the Customer by the Supplier, its employees, agents, consultants or subcontractors and any other confidential information concerning the Supplier's business or its products which the Customer may obtain.

The Supplier shall not use any personal data submitted by the Customer to the Supplier other than in connection with the provision of the Services and shall not disclose any such personal data to any third party without obtaining the Customer's prior consent.

## 12. TERMINATION

12.1 Without prejudice to any other rights or remedies which the parties may have, either party may terminate the Contract without liability to the other immediately on giving notice to the other if:

- (a) the other party fails to pay any amount due under the Contract on the due date for payment and remains in default not less than seven days after being notified in writing to make such payment; or

12.2 In addition to the rights granted to the Supplier by Condition 12.1, the Supplier may also terminate the Contract without liability to the Customer immediately on giving notice to the Customer if:

- (a) Without the Supplier's prior written consent, any Services are performed by anyone other than the Supplier's servants or agents; or

Until they have been returned or repossessed, the Customer shall be solely responsible for their safe keeping; and
- (c) the accrued rights and liabilities of the parties as at termination and the continuation of any provision expressly stated to survive or implicitly surviving termination, shall not be affected.

## 14. VARIATION

14.1 The Supplier may, from time to time and without notice, change the Services in order to comply with any applicable safety or statutory requirements, provided that such changes do not materially affect the nature, scope of, or the charges for the Services. If the Supplier requests a change to the scope of the Services for any other reason, the Customer shall not unreasonably withhold or delay consent to it.

14.2 Subject to condition 14.1, no variation of the Contract or these Conditions shall be valid unless it is in writing and signed by or on behalf of each of the parties.

## 15. WAIVER

- 15.1 A waiver of any right under the Contract is only effective if it is in writing and it applies only to the circumstances for which it is given. No failure or delay by a party in exercising any right or remedy under the Contract or by law shall constitute a waiver of that (or any other) right or remedy, nor preclude or restrict its further exercise. No single or partial exercise of such right or remedy shall preclude or restrict the further exercise of that (or any other) right or remedy.
- 15.2 Unless specifically provided otherwise, rights arising under the Contract are cumulative and do not exclude rights provided by law.

## 16. SEVERANCE

- 16.1 If any provision of the Contract (or part of any provision) is found by any court or other authority of competent jurisdiction to be invalid, illegal or unenforceable, that provision or part-provision shall, to the extent required, be deemed not to form part of the Contract, and the validity and enforceability of the other provisions of the Contract shall not be affected.
- 16.2 If a provision of the Contract (or part of any provision) is found illegal, invalid or unenforceable, the provision shall apply with the minimum modification necessary to make it legal, valid and enforceable.

## 17. ENTIRE AGREEMENT

- 17.1 The Contract constitutes the whole agreement between the parties and supersedes all previous agreements between the parties relating to its subject matter.
- 17.2 Each party acknowledges that, in entering into the Contract, it has not relied on, and shall have no right or remedy in respect of, any statement, representation, assurance or warranty (whether made negligently or innocently) (other than for breach of contract).
- 17.3 Nothing in this condition shall limit or exclude any liability for fraud.

## 18. ASSIGNMENT

- 18.1 The Customer shall not, without the prior written consent of the Supplier, assign, transfer, charge, mortgage, subcontract or deal in any manner with all or any of its rights or obligations under the Contract.
- 18.2 The Supplier may at any time assign, transfer, charge, mortgage, subcontract or deal in any other manner with all or any of its rights under the Contract and may subcontract or delegate in any manner any or all of its obligations under the Contract to any third party or agent.
- 18.3 Each party that has rights under the Contract is acting on its own behalf and not for the benefit of another person.

## 19. NO PARTNERSHIP OR AGENCY
